EVERY PERSON ON EVERY BOAT MUST SIGN ON AND OFF. (including those who have pre-registered).

Participants must be **13 years of age or over**, unless accompanied by an adult. (The adult does not have to be on the same boat, but must accompany the minor at all times.)

Watercraft will sent out in order of the number of paddlers ie. multiples, twos and ones. You will be given a **start position in the procession**. Boats must maintain a safe distance from other craft, at all times.

Boats must have **at least one light**. They can be decorated as much or as little as you like. There will be prizes for different boats and decorations, lights, and people's outfits.

The **flotilla will start from Crummunda Park** near the Boat Registration marquee. It will do an **anti-clockwise circuit of the lake**, up towards the bridge, back to the beach end, returning to the start point. The Sunshine Coast Council Waterways boat will lead the procession, and a support boat will follow.

A car & trailer 'drop-off/pick-up' parking area will be provided adjacent to the launch site. Launching can also be done at other sites on the north and south sides of the lake. Call Kaye 07 5438 8267 for details. I can also advise about decorating your boat with lights.

Participants are signing that they have received a full safety briefing before the event, and agree to observe all guidelines, and follow instructions from event officials.
